

马克思主义学院工作简报

[illegible]

The diagram illustrates a hierarchical or network structure. It features a central vertical axis with several horizontal branches extending from it. The branches are further subdivided into smaller segments, creating a complex, tree-like or web-like pattern. The nodes are represented by small circles, and the edges are represented by lines connecting them. The overall structure is highly interconnected, with many nodes and a dense web of connections. The diagram is oriented vertically, with the top of the structure at the top of the page.
